

Description

This charming ground floor apartment at Deck 12 offers an unrivaled investment opportunity. With direct access to the terrace and pool, you can enjoy a relaxing atmosphere while you watch the arrival of the majestic cruise ships into the port. The apartment is fully equipped and has two bedrooms, perfect for establishing your home or as a profitable investment. Additionally, common areas include a barbecue area, ideal for social gatherings. Its location on the main avenue guarantees easy access to shopping centers and restaurants, providing comfort and practicality. Whether you are looking for a cozy place to live or expand your investment portfolio, this is an opportunity you won't want to miss.
