

Description

This luxurious penthouse is located on the beach and has breathtaking views from all areas. Shangri-La is a private gated community that offers only the very best in amenities. It has a enormous infinity pool w/two swim-up bars, private beach and exclusively located next to the marina. With beautiful shops and endless restaurants, the Marina is a vacation on its own. Shangri-La has a great staff and are waiting to serve your every need. With amenities like volleyball, tennis, professional gym, spa services and all the swimming you desire, this place is your perfect getaway for a fun vacation. This penthouse is pure luxury. Your private & secure elevator takes you directly from poolside to your room. The penthouse comes equipped with everything you need and a daily maid service is not included, but can be made available upon request. Our penthouse was professionally decorated and will find no other one alike.
